Welcome To Term 2
I'd like to this opportunity, as it's my first, to welcome everyone back for what looks like a busy and exciting Term. Schools are very dynamic and interactive places and after two days of getting to know the staff and hearing what a great place we have here I can't wait to meet the kids and all the parents and carers. I'll give you all a brief personal history as I'm sure you're all curious, as I would be!

My name is Drew Green (Very appropriate for the green school!)

I have been the Principal at Rous, over near Alstonville, for the last nine years.
The Principal at Weethalle, in the Riverina for the seven years before that.
The Principal at Louth, a hundred kilometres the other side of Bourke on The Darling River, for five years before that.

Before becoming a Principal I spent two years teaching in England and two years in Dubbo.

I am now very excited and looking forward to developing great working relationships with the whole school community at Kyogle.

My wife Kim, is a Reading Recovery Teacher at Wollongbar PS. We have four children.

Nick 20 yrs – At Uni and shucking oysters to pay for Uni.

Jordie 17 yrs – She’s in Yr 11 and working in a bakery for play money.

Josh 12 yrs – In Yr 7 and wished he was working!

Sam 10 yrs – In Yr 4.

Orienteering at KPS

This term Kyogle Public School is offering students the opportunity to partake in orienteering through the Active After School Communities (AASC) program. The program is free of charge and each session will be conducted by an accredited AASC coach and supervised by a teacher. The sessions will run each Monday afternoon beginning Monday 13 May from 3.30pm to 4.30pm at school. Please be aware any children attending will need to be picked up from school at 4.30pm as buses do not run at that time. With only 16 places available any interested students need to collect a permission note from the office and return ASAP to secure their spot in the program.

ANZAC Day

Thanks to everyone who came to the ANZAC march last Thursday. The school was very well represented with nearly 100 kids marching. Great job!

Due to such a hectic time at school at the end of last term we couldn’t find time for a special ANZAC day assembly. Tomorrow at 10am we will be holding a short ANZAC assembly and everyone is welcome to join us if you have the time and the inclination.

Life Education Van

Some classes apparently missed this valuable experience last Term due to the instructor falling ill. These will be caught up this Term. On Friday, 10 May they will see 1/2B, 5/6B and 1/2M and on Monday, 13 May they will finish with KL, 3/4K and 1C.

School Breakfats

The school breakfast club was well attended last term averaging between 15 and 20 children each morning. As our school canteen is currently having renovations, we will operate the breakfast club out of Mrs Ludlow’s room which is immediately inside the top school gate. This will commence this week and operate every day.

The great success has been due to voluntary supporters serving the breakfasts of cereal and toast and the supply of food items such as milk, bread and cereal by local businesses. Other items such as honey, jams and fruit were most generously donated by some parents. We would appreciate it once again if any parent would like to donate any items such as jam, vegemite or honey that would assist in the running of this program.

For many varied reasons children just don’t manage to eat before coming school. It is great to be able to supply this service at school when necessary. Many thanks to all who have supported us last term.
