Parking, Picking up and Dropping Off Children
One of the most important things we do is keep our students safe. To this end I need to mention parking around the school. There are cars being parked along Groom Street near the bus area and children are walking between the buses to enter the school. This is unsafe. Could those cars park further down Groom Street away from the bus area therefor giving our children room to cross where everyone can see what’s happening.

Police Liaison Visit
This Friday at 1.15pm our Stage 3 students will be having Senior Constable Struan Presgrave address them with particular regard to Facebook issues and bike safety. If other matters arise during the conversation he’ll present the views of the police on those matters too.

Movie Night
What a turn out! Our first ever movie night at Kyogle Public school was a great success. Approximately 200 turned up to meet and greet our new Principal Drew and mingle with other families. The popcorn sold was very popular with a constant line all night to purchase. The mystery movie ended up being Home Alone and it seemed to be a favourite amongst the crowd. Thank you to the staff that gave up their time to run the night and parents that lent a hand. We look forward to hosting another movie night in the future.

Sports - Newsletter Feature
KPS has once again been very fortunate to not only enjoy such a wide variety of sporting activities but have also met with some very pleasing results. Our year began with a big splash as our four Houses competed at the local Memorial Pool. One of the many highlights was having our teachers swim as the students swam for ownership of the Bursle Cup, I believe the first time for many years. The day was thoroughly enjoyed by one and all with great sportsmanship being yet another highlight of the day. The carnival conclusion realised Macquarie House being our eventual winners. As a result of this competition 22 swimmers qualified for the NRPSSA Swimming Carnival. Following this carnival five talented swimmers were selected to compete at the NCPSSA Swimming Championships held in Coffs Harbour.

Another annual swimming event the Carill Cup was yet again strongly contested and hard fought against the two primary public schools at Casino but this year saw KPS achieve a convincing win and regain the Cup after narrowly losing last year, a superb result for KPS.

Congratulations to Lil Chiomey, who has continued to play at her best and was selected onto the Northern Rivers PSSA Girls Cricket Team and then again shone at Sawtell. Lil will now play in the NSW PSSA competition to be held in early October at Bomaderry. Well done to the three boys who also played well in the Northern Rivers Zone PSSA Cricket Selection Trials but were unfortunate not to be selected.

KPS nominated a very gifted cricket team to compete against a strong Casino Public team. Casino Public went in to bat first and during the early stages Kyogle was in a very strong position but the opposition came back and eventually won the match, although our team can certainly hold their heads up high.

A great experience was enjoyed by all Stage Three classes who received a visit from a Primary School’s Rugby Union Development Representative. The students were upskilled in their balls skills and gained a deeper understanding of rugby union strategies and how the game is played.
What’s happening

Term 2  Week 4
Fri 24/5  KEEP students to KHS
Fri 24/5  NRPSSA Cross Country at Corndale
Fri 25/5  Police Liaison visit Years 5 & 6 at 1.15pm

This Weeks Special : Chicken Noodle Soup $2
As of Monday  27 May fruit price will increase to $1
Parent helpers still needed. If we cant get enough parent helpers, prices will go up to cover wages. Call Jess on 66321200 or 0487398443.

In addition to these trials students have been busy refining their track and field event skills in preparation for our much anticipated one day Athletics Carnival to be held on the Wednesday, 19 June at the Kyogle High School Oval. Our aim is to have as many students as possible competing on the day. All students will have the opportunity to compete in their age events and all parents/ carers are most welcome to attend.

Sports Feature cont.

Kyogle is somewhat renowned for producing primary school rugby league players of a high standard and this year is no exception. Congratulations to the five boys who travelled to Maclean for the Northern Rivers Rugby League Selection Trials that realised two players being selected and one as a first reserve player. Two players went on to compete in the Regional Trials at Grafton but were unlucky and missed out on further selection.

At the end of last term KPS staged our annual Cross Country Carnival where all students including our infants endured a good workout. Almost 80 students were selected to compete at The Risk Public School and following this competition 29 students finished in the top five positions for each age group. They will now represent the Kyogle District at the NRPSSA Cross Country Championships to be held this Friday at Corndale.

At present we have both the boys trying out for the Rugby League Team that will go on to represent KPS for the Matt King Shield also girls seeking a position on the KPS Softball Team to play against Casino West Public School in the coming weeks.
