Principal's Message

Kinder Orientation
We are expecting at least 45 new students for Kindergarten next year, this always varies a little by the time we have final enrolments, so a few more would be the norm and not surprise me at all.

Our first day of orientation was a great success. It not only enables these students to become more familiar and comfortable with their new environment it also allows the teachers to begin forming relationships with the students and look closely at the class groups that will be the most effective for the 2015 school year. The groups they are in for their orientation days will not necessarily be their final class group.

We will meet in the Hall again this Thursday morning, 13 November to begin the day.

KYOGLE’S GOT TALENT
School Performance
The momentum is building as we head into next week for our school concert over Wednesday and Thursday nights. This will be my first concert and I must say, I am really looking forward to it. The expression, “Bigger Than Ben Hur” has been used on a number of occasions and I know staff and students alike have been working very hard to finalise their performance’s for a packed house at the High School.

Platinum Medals
On Wednesday, 10 December we will be having our volunteer’s luncheon which will be followed by Christmas Carols in the hall.

As we’ll all be in the hall we’ve decided to make this the final moment of celebration for our Platinum Award winners who will publically be presented with their medals. You will all know by then if your child is one of these children so if you’d like to share in this occasion then you might like to keep this date and time in mind.

Year 5 Buddies
Year 5 students are in the process of developing a buddy system to support next year’s Kindergarten classes. Year 5 will introduce themselves via a letter with a photo to help with recognition. The Year 5 students will help with game activities, friendship forming and reading during the orientation process. They will continue on as reading buddies next year when the new Kindergartens are here full time.

If you are not happy with your child being a buddy and this process, please contact the school. We would like to congratulate and thank the Year 5 students for taking on this leadership role.

Dance/Theatrical Costumes Wanted
What a great time for a spring clean….Is your home full of old costumes cluttering up your house? If so, we can help you de-clutter! If you would like to donate them to our dance group we would greatly appreciate them. You can drop them off at the front office, speak to Taryn Fields or email me (erin.thompson11@det.nsw.edu.au) and I’ll collect them from you.

Thank you in anticipation. Erin Reeves

KPS FETE

A date for the Fete next year has been decided as Friday, 8 May and plans are starting to get underway. Any updates will be published as the news come to hand.

We encourage anyone who has any new ideas or feedback for the night to contact our Fete Coordinator, Yaz Bateman, by email yazzy_is@hotmail.com

Canteen

Firstly we would like to thank everyone who helped out in the canteen while Jess was away with a family emergency. Your help was greatly appreciated.

Since the new menu changes the canteen has been running well. There are still a few wrinkles to iron out but we feel we are on the right track to make it successful.

As of Monday, 17 November the apple slinky maker will no longer be available as it has become unsafe to use. However, we are in the process of purchasing individual units to have available in each class room for your child to use at their leisure. So please remind your child this service will not be available to them as of next week.

We encourage everyone to attend what will be our last P&C meeting for the year on Tuesday, 9 December.

P&C News

The P&C will be holding a dinner as part of our Thank You to all volunteers who have helped in the canteen and uniform shop throughout the year. An invitation will be sent out with details this week.

Our Movie Night was a huge success with over $700 being raised. This couldn't have happened without the support of the school community, volunteers and these local businesses:

- The Saw Spot
- Scarboroughs
- PRD Nationwide
- Soul Pattinsons Chemist
- Cutting It Straight
- Peters Food Hall
- Back to Basics
- Graham Gooley Optometrist
- Singh's Tyre & Mechanical Kyogle
- Parker & Kissane Solicitors & Attorneys, Kyogle

A huge thank you to Megan Karam for organising it and to all those who helped. Also a mention to Jan Walters who donated the fruit and vege tray for the raffle at the cake stall.

The winner of the quilt, which was kindly donated by Chrystine Graham was won by Venessa Kook.

Uniform Shop

Sports shorts have arrived and are available for purchase for $15 a pair. The new range of hats have been ordered and should be here by the end of Term. Updates will be posted once they come to hand. Attached is a price list and order form. Could all orders be in by Friday, 28 November. If you are able to help out in the Uniform shop in 2015, please see our uniform shop coordinator, Leasa, for any questions.
