Principal's Message

Kinder Orientation
It's great to watch our 2015 kindergarten students grow in confidence and trust each time they share a day with us. We offer more support than most schools during this vital transition process building on the start of 2015 a personal success for all our new students.

KYOGLE’S GOT TALENT – School Performance
Tonight is our first performance and as with all public appearances now days the way we record events is more controlled than we would perhaps like. Whilst the majority of people allow their kids photos to be published and shared there are still a few who choose not to. So recording anything tonight needs to be of your child only if at all. Please remember this is in the HIGH SCHOOL HALL.

Platinum Medals
On Wednesday, 10 December we will be having our volunteer’s luncheon which will be followed by Christmas Carols in the hall. As we’ll all be in the hall we’ve decided to make this the final moment of celebration for our Platinum Award winners who will publically be presented with their medals. You will all know by then if your child is one of these children so if you’d like to share in this occasion then you might like to keep this date and time in mind.

Dance/Theatrical Costumes Wanted
What a great time for a spring clean... Is your home full of old costumes cluttering up your house? If so, we can help you de-clutter! If you would like to donate them to our dance group we would greatly appreciate them. You can drop them off at the front office, speak to Taryn Fields or email me (erin.thompson11@det.nsw.edu.au) and I’ll collect them from you. Thank you in anticipation. Erin Reeves

Climate Change and Me
is a Southern Cross University project designed to empower children to act on climate change. Applications have gone out and a list of students has been given to class teachers of those that will attend this day. Climate Change and Me will take place on Thursday, 27 November in the school hall from 9.30am - 2.20pm. Stage 2 and 3 last day of swimming for sport will be in Week 9.

KEEP
KEEP students will be attending an end of year excursion to Brisbane Science Centre on Monday, 24 November. It will be a fun educational day for these students who have worked very hard to achieve some fantastic results on their Personal Interest Projects (PIP). We wish them a great fun filled day!

Last day of KEEP/Presentation will be on Monday, 8 December in the computer room followed by a PIP presentation down in the hall from 4.00pm - 5.00pm. KPS KEEP students will still be able to attend the whole school presentation at Kyogle High School and the Year 6 KEEP KPS students will still participate in the county fair. Students do not need to leave to go home after school on this day as they will be setting up for their presentation and will be supervised by Miss Burns until parents/carers arrive at 4.00pm. KEEP students are very excited about presenting their PIPs to their parents/carers. We look forward to seeing you there. Afternoon tea will be provided.

KEEP applications for 2015 have been handed out in class to students who are interested. Applications need to filled out by both student and parent/carer and handed back to their class teacher so they can then fill out the teachers supporting statement on the application. All KEEP applications need to be back to teachers by Friday, 21 November. KEEP 2015 students will be announced at the whole school presentation on the Monday, 8 December.

Captain Speeches
Year 5 students have been working on their captain speeches in class for the past week with the support of their class teachers and peers. Parents are able to support the child in the writing of their captain speeches and we encourage students to practise their speeches at home in front of an audience. Captain speeches will take place in class this week and in front of Stage 3 on Friday this week. A group of students will then be selected to present their speeches in front of the whole school (with the exception of Kindergarten students) on Tuesday, 2 December at 12.20pm in the KPS hall. Year 1 to Year 5 will then vote for their 2015 school captains back in class after they have heard their speeches. 2015 captains will be announced during our whole school presentation on Monday, 8 December.

**KPS is entering in the Wakakirri Story of Dance Competition next year...**

Seeing as you all had such a wonderful time creating your exceptional concert items I thought it was a great time to capture your creative sides... thus we are having a meeting next Thursday, 27 November, after school in the staffroom. I would love to see as many people as possible come to share ideas or offer support (costumes/sets/props/ choreography/music/chocolate etc.). Please bring any ideas regarding possible themes to explore or just come for cake!

**P&C News - CANTEEN**

The productive daily running of the canteen has been of great concern to the P&C throughout the year. Due to this we have made the decision to advertise the canteen out for tender.

Tenders are now open to run the Kyogle Public School canteen. It will be a $100/week of school terms lease arrangement with utilities included and a fully equipped kitchen. It will involve choosing being open between 1-5 days, in which the days need to be the same each week. The right tender will need to have an ABN, Insurance, safe food handling cert and a working with children check. Running of the canteen will also need to be within the guidelines of the NSW Healthy school canteen strategy. The P&C also wishes that we can still work closely with the tender and will provide volunteers to help.

For more information please contact
P&C President Yaz Bateman: 0413724426 (Acting)
Secretary Rhonda Zeiler: 66339000
Applications can be sent to the school and close 12th December

**School Banking Coordinator**

The volunteer position for our School Banking Coordinator will be available for 2015. This role involves processing children's accounts at the school once a week via an online banking system.

All training will be provided by our current coordinators. Please see office staff if you are interested in taking on this role.

---

**Uniform Shop**

Please remember all orders need to be in by Friday, 28 November. If you are able to help out in the Uniform Shop in 2015, please see our uniform shop coordinator, Leasa, for any questions.
Gold Reward Party for Stage 2 and 3
Gold Reward Party this Term will be a Pool party held in Week 10. Stage 2 will have their pool party on Tuesday, 9 December and Stage 3 will have their pool party on Thursday, 11 December.
