Principal's Message

We have had some excitement this week with the Book Fair and the dress-up as your favourite character being a major focus. There was a fantastic range of interesting characters. Thank you to those people who have supported the Book Fair as our school, especially the library, really do benefit.

Reminder to those parents ordering food and drinks for their children’s recess – The canteen closes after lunch and anything ordered for recess will be given to the children at lunch time and they keep it in their bags. For this reason it is not advisable to order milk and other things that should be refrigerated during this time.

Around town there has been a lot of talk about the billy cart derby. There is a school race and if there is anyone out there who has a ‘traditional’ (made to the rules) billy cart that one of our students could race on behalf of the school please let us know.

Stage 2 excursion payments have started and the Stage 3 excursion is almost ready to go. Luckily for them, the ski season is a good one this year so far. Thanks to those parents who responded to the expression of interest for the Early Stage 1 / Stage 1 excursion. There was an overwhelming majority willing to bring their children in to go on the XPT. We are currently organising this and will let you know more details soon.

KPS Mystery Movie Night

When: Thursday, 14 August
Time: 5.30pm
Cost: $5 per ticket and $15 per family
Where: KPS Hall
Sausage sizzle, popcorn and drinks will be for sale on the night.
Family, friends and neighbours are all welcome to come along.
Money raised will go towards the Stage 3 excursion. Tickets can be purchased on the night.

School Chaplaincy / Welfare Officer

Last Term Lynette Watson began at our school in the role of School Chaplaincy / Welfare Officer. Along with other candidates, an interview process was held and she was selected by a panel. Lynette has had experience working as a Student Support Officer at our school and another local school. She would have also been known to some, as one of the lifeguards at the pool during summer. She is a farm girl who is interested in country life. Her goal while at Kyogle Public School is to build self-esteem and resilience within students, in preparation for the real world.

Positive Behaviour for Learning (PBL)

Students will be learning and practicing Positive Behaviour for Learning (PBL) focuses each week. This weeks focus will be positive choices around the office area of the school.

- Discussing what respectful, responsible and safe looks like in the office area
- Refering to PBL matrix for specifics
- Reading stories or viewing a poster about manners
- Why is it so important to do the right thing at the office? (E.g. Visitors are at the office, the ladies are always busy, a high traffic area in the school)

This will be developed through activities such as demonstrations, role play and scenarios relating to the focus of this week.
