Principal's Message

Our Sports Carnival this year had quite a few areas that we will be looking into. We need to make some constructive changes to the whole day’s organisation, so that we can plan for a more effectively organised event in 2015.

I would like to have this as a topic of conversation at our next P&C Meeting which is on Tuesday, 9 September at 5:30pm.

I am seeking input to come up with a solution that will work better for our school and our kids. If you are interested please come along and contribute to finding better systems for us to use.

If you would like to contribute but cannot make it, write it down and send it in to me and I’ll take it along and express your opinion for you.

The more minds the better the outcome.

Positive Behaviour for Learning (PBL)

Students will be learning and practicing Positive Behaviour for Learning (PBL) focuses each week, this week’s focus will be positive choices in and around the Library.

Students will learn to;
- Demonstrate care of books and equipment
- Model leaving the area as you found it
- Demonstrate using an inside voice
- Children role play lining up quietly outside the library and walking into the Library

This will be developed through activities such as demonstrations, role play and scenarios relating to the focus of this week.

KPS Choir

On Monday, the school was very well represented by the Junior and Senior Choir when they visited the Senior Citizens Centre. The choirs, as well as the very talented Bruce Newton and Mrs Mitchell, all sang for the enjoyment of Kyogle’s most important citizens. The students love performing for the elderly, and afterwards mingling and chatting with new friends. Here are some photos from our visit.

Lost Property

We have a mountain of clothing in lost property in the school administration building. If you are missing any items of clothing, lunch boxes, drink bottles etc, please check lost property to see if anything belongs to your child. All unclaimed items will be given to charity next week.

2015 Kindergarten Information Night

If you missed our Information Night in May, we will be holding the same Information Session again, this time in Mr Ludwig’s room.

Date: Tuesday, 2 September 2014
Time: 5.30pm

Light refreshments will be served. Come along and find out the wonderful opportunities KPS can provide your child.
