Well that’s NAPLAN done and dusted for another year. The kids in general seemed pretty calm and relaxed about it all. We don’t usually get the results till some time in September so don’t hold your breath.

Canteen
The canteen will now follow statewide policy as far as its management goes. When a Canteen is tendered, as is ours, the P&C no longer plays any role in its operation.
It becomes a relationship directly under the Principal therefore Shane and I will be the ones working together to keep the canteen operating effectively.
It will no longer be a discussion point during P&C meetings.

Cold Lunch
Whatever temperature your child brings their lunch to school is the temperature at which it needs to be eaten by them.
The canteen is not a heat up lunch spot. Temperatures can’t be guaranteed when heating up unfamiliar food quickly therefore burning is potentially an issue.
So bring as you intend to eat it.

Morning Duty of Care
Apart from a teacher down on bus duty at 8:35am the rest of the school’s playground duties do not begin until 8:50am. Therefore there is no official playground supervision.
Please do not send your children to school before this time unless absolutely necessary.
For those children who do arrive before this time and this includes bus people they can take their bags to their classrooms then they must return to one of the two wooden tables not far from the staffroom and remain seated until the first bell at 8:50am when teachers begin the day’s playground duties.
If the tables become full then they need to sit nearby. On wet days they can be seated in the COLA area.

NAIDOC Week Activity Day
We will once again be celebrating NAIDOC week at school on Friday, 19 June. We have a number of activities happening on the day involving quite large groups of students. If you can spare the day to assist with these groups it would be appreciated. Please let the office know.

Cross Country
KPS wishes all of the Cross country participants the best of luck as they travel across to Corndale to compete in the NR Zone PSSA Cross Country Championships on Friday.

Netball
A netball team is presently being formed consisting of both Stage 2 and Stage 3 girls. The girls first match will be a friendly game of competition against St Brigids at the Kyogle Netball Courts on Tuesday, 2 June.

Football (soccer)
Our annual football competition against St Brigids is fast approaching and will take place in early Term 3. The teachers will be looking to select seven boys and seven girls from each Stage, (Stage 1, Stage 2 and Stage 3) to make up our KPS representative teams. Our senior team will be playing next at a Gala Day to be advised.

Rugby League
The KPS Senior Rugby League Team will now compete against Wyrallah Road on Monday, 1 June. As they proceed forward in the knockout competition.

Softball
The KPS Softball team will now attend a Gala Day. More information to come.

Athletics Carnival
Students have been busily honing their track and field event techniques in preparation for our athletics carnival to be held on Tuesday 9 and Friday 12 June.
### What's happening

#### Term 2 Week 5
- Fri 22/5: NRPSSA Cross Country @ Corndale

#### Term 2 Week 6
- Tue 26/5: 4th payment due for Fraser Island
- Wed 27/5: KEEP Excursion to Harwood Sugar Mill
- Wed 27/5: Notes & payments due for Dinosaur Science
- Thur 28/5: School Social Years 3 - 6
- Fri 29/5: Dinosaur Science Performance

#### Term 2 Week 7
- Mon 1/6: Blood Bank in KPS Hall
- Tue 2/6: Blood Bank in KPS Hall
- Wed 3/6: PSSA Knockout Soccer Gala Day
- Fri 5/6: PSSA Knockout Netball Gala Day
  - 3rd payment due for Lake Ainsworth

#### Term 2 Week 8
- Mon 8/6: Public Holiday - Queens Birthday
- Tue 9/6: Athletics Carnival - Field Events
- Fri 12/6: Athletics Carnival - Track Events

#### Softball Success
Congratulations to the KPS Softball team for a most exciting game played against Casino West on Monday. The girls were excellent representatives for our school playing fairly and most importantly happily. The girls showed great improvement over their few training sessions and WON CONVINCINGLY!!! A special mention to our dual representative Tanayah Harley who played both football and softball on the day and didn't run out of puff. A huge thank you to Fiona Keneally for umpiring on the day and also to our loyal band of supporters.

#### KEEP Science Excursion
**When**: Wednesday, 27 May 2015  
**Where**: Harwood Sugar Mill at Broadwater with Dr Tony Banks, Senior Research Chemist  
**Coordinating Teacher**: Ms Lindy Ruangsri, Science Department Kyogle High School  
**Supervision**: Ms Ruangsri & Ms Spargo  
**Transport**: Clark’s Bus leaving Kyogle High School at 9.10am and returning to Kyogle High School at 3.10pm.  
**Cost**: Bus cost covered but students to bring their own lunch.

#### Rugby League
On Monday at Newpark rugby league grounds, Kyogle, our Open rugby League team participated in the PSSA knockout against Casino West. Despite a slow start to the game the players settled in quickly. We started playing structured football and began to rack up the points in a convincing win 54 - nil. It was a great effort for our first game of the year and the whole team contributed and played well. Thanks to all the parents who came along and supported the team.

**Mark**

#### School Social - Years 3 - 6
**Week 6 Thursday, 28 May.**  
The theme is Red Carpet. Sausage sizzle, fairy floss, chips and drinks. Money raised will go towards supporting the Wakakirri Dance Group.

#### NAPLAN
Well done to all students in Years 3 and 5 who sat the NAPLAN test last week.

#### Wakakirri News
KPS will be competing in ‘The Story of Dance’ competition at Logan Entertainment Centre on Tuesday, 25 August. More information about tickets etc. will be in next week’s newsletter. If you can help with sets, costumes etc. please contact Taryn Fields, Bruce Newton or Erin Reeves. We thank those who have already offered to help out and will be in contact within the next two weeks.
Overview of KPS Sporting Events

Once again this year has already seen KPS students excel by achieving outstanding results in both the individual and team sporting arenas. A huge congratulations goes out to all students who have competed in any field of sports and a big thankyou to their parents/carers who have been so supportive in the many different ways.

The annual swimming carnival was greatly supported where the competition remained electric between the four sporting houses both in and out of the pool. The cheering by students from the grandstand was of the highest level and had to be admired by all present, as were the keen efforts by all competitors who performed to their best. There were two swimming records broken on the day. Unfortunately there can only be one sport’s house winner. This year Hunter House was successful in gaining the overall Winning House Trophy. The Bursle Relay Cup comprised of six swimmers both boys and girls from the different age divisions and was won convincingly by Phillip House. One of the many highlights of the racing program is the race between the teachers and parents, which was clearly won by the parents. At the conclusion of the carnival a total of 24 students qualified to compete at the NR Zone PSSA Swimming Carnival at Lismore. As a result of this carnival, seven students qualified for the NR Regional PSSA Swimming Carnival. Following the completion of the day’s competition realised that Kalahni Spargo once again qualified to attend the PSSA State Swimming Championships in Sydney. The Carlill Cup once again hosted by KPS at the Kyogle Pool not only realised KPS winning the Cup for another year but was won in a commanding manner. We appreciate Mrs Robyn Carlill for making a big effort to attend the carnival and for assisting with the presentation of the Cup.

At the end of last term KPS staged their Annual Cross Country event at the new venue that extends out across the High School Agricultural Plot. All students from K-6 were eligible to compete and unanimously decided that the new site provided a great cross country track. Approximately eighty students were selected to go on and compete at The Risk Public School. KPS now has 28 students who will be travelling across to Corndale this Friday to compete in the NR Zone PSSA Carnival. KPS would like to wish them every success on the day.

The NSW PSSA Boys Cricket Knockout Competition got off to a strong start as we went in to face our old opponents Casino West Public School. KPS won the toss and the captain Taj Simpson elected to field. Our strong batting line up came to the forefront and the boys had the game stitched up by the 11th over. In round two KPS competed against Coraki and showcased some great cricket action. KPS eventually won the match winning by 27 runs. Our cricketers went on to compete against the ever strong Wyrallah Road Public School. After being sent into field they were faced with the huge challenge of chasing 122 runs. Despite their great effort they were bowled out before they could reach the target. The boys were congratulated for their sportsmanship and fighting spirit. Well done boys!

As in previous years KPS has yet again numerous talented rugby league players who have been able to hold their heads up high in any league competition. We had a total of eight students who attended the Under 11’s and Open’s Selection Trials held in Maclean. As a result of these trials four students successfully made it on to the next level of competition held in Grafton and performed very well but unfortunately were not selected to progress to the next level. Recently our Senior Rugby League Team had a resounding win over Casino West and will now proceed to the next round in the PSSA Knockout Competition.

KPS also had three boys attend the NR PSSA Football (Soccer) Selection Trials held in Lismore. It proved to be a highly competitive and very hot day. The boys thoroughly enjoyed themselves but unfortunately did not gain selection for further competitions. During the coming weeks KPS students will be involved in a wide variety of sports. The competitions consist of Rugby League, Softball, Netball, Football, Cross Country and Athletics – track and field events. KPS wishes all teams every success in the near future and look forward to our whole school Athletics Carnival. Please refer to the School Newsletter for additional information as the activities come closer.

Leon Ludwig (Sport’s Co-ordinator)
