Principal's Message

Week 4 already! Time does fly when you're having fun. Some of the fun and educational opportunities coming up are our Stage 2 and Stage 3 major excursions. You have been aware of this expense for some time and hopefully you've been planning ahead and paying bit by bit as I do for my own kids. Stage 2 payments should be already sorted, unless you have contacted the school to arrange late payments. Stage 3 are getting to the pointy end and final payments are due by Tuesday, 25 August. These excursions are an important part of your child's school experience. If for some reason you are discovering some issues please don't hesitate to talk to either Tami for Stage 2 or Donna for Stage 3.

A reminder the canteen is not open on Mondays. Please keep that in mind for future lunch planning.

District Athletics Carnival

Recently, on an absolutely gorgeous winters day our District Athletics Carnival was held and organised by The Risk. Kyogle students dominated the day with great displays of sportmanship, skill and strength. As a result we have approximately 50 of our students representing the Kyogle District at the Zone carnival. Well done to all our competitors who were splendid ambassadors for our school and the best of luck to those that have qualified for the next level of competition.

Juvenile Age Champions from our recent district carnival.

Pippa, Marie and Malachy

Smart Futures Career Day

We will be hosting a Smart Futures Career Day on Monday, 7 September for Stages 3 and 4, so just to start you thinking and to encourage conversations at home there will be a little interest piece each week till then starting today.

ASPIRE Careers Program

Research has shown that children need to start investigating the opportunities available to them as early as possible. The information may influence their future education decisions in actively seeking a variety of career choices. 

So your child likes ART, what are the job possibilities?

“If you can imagine it, you can achieve it. If you can dream it, you can become it.”

William Arthur Ward

Life Education Unit

The Life Education Unit will be visiting the school from Monday, 24 until Thursday, 27 August. The program offers lessons promoting a healthy lifestyle for children from Kindergarten through to Year 6. A big thank you to Northern Rivers Life Education who raised $1600 so that Kyogle Public School can access the program at a discounted rate of $5 per student. Money and notes are due Friday, 21 August.

Book Fair Next Week !!!

Monday, 10 August to Thursday, 13 August
9:00am - 9:20am

Students are invited to pop into the library during this time and browse or purchase a book or novelty item.

If this time doesn’t suit you please feel free to call in anytime between 12:00pm - 3:30pm.

Because of the wonderful support at our last book fair the library received over $400 dollars worth of books for the library and it is great to see so many students excited over books!

KPS Rugby League Sydney Trip
On Sunday, 26 July KPS Rugby League Teams travelled down to Sydney to compete in the All Schools Rugby League State Knockout. The carnival was held on the Monday and unfortunately the teams played at different venues. The U/10’s had 4 games in their pool and played very well against tough opposition. They should be very proud of their achievement. It was a wonderful experience and they will be better for it next year as the majority of the team is only 9 years old. A special thanks to Todd Newton for coaching the team as I was unable to go from venue to venue as planned. He did a fantastic job.
The Opens had 3 games in their pool, winning 2 games and a draw. They finished 2nd in the pool and qualified for the quarter finals. Unfortunately they were defeated by a better team on the day. The team should be very proud of their effort and achievement. It was an outstanding result by everyone. I couldn’t have asked for a better defensive effort from the team. They tackled their hearts out all day and never gave up. The whole team put in 100% and played to the final whistle every game.
We have made it to the State Knockout 3 years in a row and I am so honoured and proud to have been their coach.
Thanks to Mr Davies and all the parents who travelled down to support both teams.
Regards, Mark

Under 10’s Team

Demonstration of Reading Strategies for Parents to be held on Wednesday, 12 August.
I have not had very much response from interested parents to attend a reading demonstration, however many of you may not have remembered to return the note. I have decided to go ahead and hold a session to explain and demonstrate the reading process. The procedure will be an explanation followed by a demonstration with a group of children that models points in our discussion. This will be held on Wednesday 12 August of Week 5 at 9.30am. I am still also willing to hold an after school demonstration for any parents unable to attend in school time if you contact me. I hope to see many of you there.
Paula Ludlow
Learning & Support Teacher

Newsletter Feature - Band
The KPS Band is a group of totally cool cats who just love to rock out. On drums we have Wyatt Constable and Aidan Reid. Olivia Flower and Angus Parker take care of piano. Our bass player is James Green and our talented lead singer is Olivia Keys. Bruce Newton makes it all possible by arranging our music and teaching us how to play it. We are currently busy practicing some new music and are looking forward to performing some of it for you real soon.
Ben Davies.

Zone Athletics Carnival - Lismore
Congratulations to all of the students who have qualified to compete in the Zone Athletics Carnival at Lismore on Friday, 14 August. All competitors are to arrive no later than 8.45am in preparation for a 9.00am start. Attending participants will travel by private transport and it would be greatly appreciated if all consent forms could be returned to the front school office as soon as possible.

Grandparents Day
Grandparents and Grandcarers are invited to KPS on Monday, 17 August at 2pm with the aim of acknowledging the valuable role Grandparents play in the students’ lives. Please mark the date on your calendar. Invites with more information will be sent out shortly.

Emergency Phone Numbers
We have had a few instances in the last week where we have needed to contact parents and have not been able to as the numbers we have on our records were disconnected. If your number or anyone listed as your emergency contacts number has changed you must inform the office. This is for the benefit of your child. We need to be able to contact you or someone on your list in an emergency.

Student Banking
If you wish your child to participate in student banking, bank books need to be handed into class on a Monday.
